BFF SPELL

This will make you
and your friends
closer than ever.

ALL YOU NEED

- ★ Pink ribbon
- ★ Pen
- ★ A white plate
- ★ Pink marshmallows
- ★ Scissors

- 1 Grab your BFFs. Take it in turns to write on the pink ribbon. Write some words that sum up your friendship. These can be as silly as you like – they just need to mean something to you and your BFFs.
- 2 Place the ribbon on the plate.
- 3 Now share out the marshmallows. Each of you should chew your marshmallow ten times before swallowing. In between each marshmallow, repeat the following words:

**“May our friendship be mellow and sweet
like this candy we love to eat.”**

- 4 When you’ve finished the marshmallows, cut the ribbon so you all have a piece. You each have to keep your piece somewhere safe.
- 5 Every so often, get together to repeat this spell. Bringing along a token of your friendship will help make it extra special.

SICK SHAME

On my way to choir, I started to feel a little queasy. I tried to ignore it and headed to my spot. I felt OK until we started doing our warm-up. I opened my mouth and threw up all over the girl in front of me. It was so embarrassing.

LOLA, 8

Ouch!

Cycling cringe

I was riding my bike when my aunt saw me from her car. She drove up next to me and honked her horn to get my attention. She made me jump so much, I swerved towards a café, crashed into it and fell off my bike. I wasn't hurt, but it was so shameful!

BELLE, 10

CRASH!

DOVE CAMERON

The most awkward moment of my whole life was when I was eight years old, doing community theatre. There was this point when everyone on stage was meant to freeze. But I totally forgot and started dancing along to the music. I was the only one moving – it was so embarrassing.

SHOE DISASTER

I had a new pair of shoes for school and couldn't wait to show them off. I strutted down the corridor, feeling amazing – until my heel got caught in a crack on the floor. I fell flat on my face. I tried to get up, but slipped and fell on my bum. Everyone laughed at me!

KYLE, 9

HA
HA HA

Swimwear horror

My friend had a pool party as it was summer, and everyone was going. I was so excited to get to the pool that I changed into my costume really quickly. I didn't realise until I was out of the changing room that I'd put it on backwards. I ran back to change, hoping no one had noticed.

NAT, 10

PIZZA PANDEMONIUM

I was out with my BF and her family for pizza. I went to the counter to get napkins, and on the way back I had to walk past the toilets. I didn't notice there was water flowing out from underneath the door, until I slipped and fell right in the puddle. I'm still cringing now.

Give these
squishies a
makeover!

HOW DO YOU MAKE SQUISHIES OUT OF A SPONGE?

- Get your hands on a sponge.
- Then, with help from a grown-up, cut the sponge into a squishy shape. Use acrylic paint to bring your design to life.
- Hey presto, you just made yourself a squishy!

Purr-fect!

HOW DO YOU MAKE SQUISHIES WITH FOAM?

- Simply follow the steps from before but replace the sponge with foam (from any good art shop). You'll have a super squishy in no time.
- 

HOW DO YOU MAKE SQUISHIES OUT OF BALLOONS?

- Find yourself a balloon and a filling of your choice. Rice or flour will work fine.
- Take a piece of paper, roll it into a cone and use it to funnel your filling into the balloon.
- Remove the paper, then let out as much air as possible and tie up the balloon. Snip off the rubbery bit at the end.
- And then? Yep, you guessed it, it's squishin' time!

HOW DO YOU MAKE SQUISHIES OUT OF PAPER?

- Taking a pen and pencil, sketch out how you want your squishy to look.
- When finished, fold the paper in half with your design at the front. Cover your soon-to-be-squishy with clear tape before sealing the sides. Leave a little gap - otherwise you won't be able to stuff your squishy.
- And for the filling? Pillow stuffing or bits of plastic bag are popular. Or why not try coming up with ideas of your own?

Squishies are woolly great!

At Egmont, we're as proud of our fabulous gifts as we are of our amazing range of magazines. We use extensive research to make sure that our gifts are just what kids want, but we take safety equally seriously. Our gifts comply with all applicable laws and regulations and undergo a series of rigorous tests. Egmont regularly checks that the companies that manufacture our gifts reach our high standards and comply with Egmont's Code of Conduct. Egmont requires that its business partners respect human rights and labour rights, protect the environment and that work is done in a responsible manner. You can read more about Egmont's Code of Conduct at <http://www.egmont.com/int/social-responsibility/Code-of-Conduct-Social-Compliance/>.
